Illinois Last State in Nation to File Official Budget Report.

“Illinois is the only state in America that has yet to release its official report from fiscal year 2018 and state officials don’t yet know when it will be released. … ‘The Auditor General still has pending audits and until those financial statements are finalized, the Comptroller cannot complete the Fiscal Year 2018 CAFR,’ said Abdon Pallach, spokesman for Illinois Comptroller Susana Mendoza. ‘No date of issuance has been determined until this process is completed.’ …”
