Bond Case Briefs

Municipal Finance Law Since 1971

How the Quantum Computer Revolution Could Impact Municipal Bonds.

Tom Kozlik, Head of Public Policy & Municipal Strategy at Hilltop Securities, says he is even more bullish on munis after several consecutive weeks of investment flows out of municipal funds. He shares his optimistic outlook, weighs in on the potential impact of a government shutdown, and explains why he doesn't think Silicon Valley is at risk of becoming the next rust belt.
