IRS: Attend the Exempt Organizations Workshop at the 2013 Tax Forums.

This two-hour workshop will include a review of recent changes to the Form 990, Return of Organization Exempt from Income Tax. In addition, the workshop will present several topics that are of interest to tax professionals who work with exempt organizations.

Exempt Organizations will participate in the IRS Nationwide Tax Forums in six cities starting in July. The forums are a major outreach event providing three packed days of seminars, workshops, focus groups and an exhibit hall for the tax practitioner community. In addition to getting the latest tax information, tax professionals can earn continuing professional education credits for their attendance.
