Special Assessment Financing: CDFA // BNY Mellon Development Finance Webcast.

Topic: What's Special About Special Assessment Financing?

May 19, 2015
@ 1:00 pm Eastern

Special assessments are a useful financing tool for communities throughout the country, achieving a variety of development goals in different states. Similar to tax-increment financing, special assessments raise capital without affecting existing tax bases. However, special assessments often cover additional private costs, target specific industries, and incentivize beneficial behaviors. During this CDFA // BNY Mellon Development Finance Webcast, our expert panel will share the elements of this financial tool and showcase its diverse nature with examples from around the nation. Tune in to see how you can apply special assessment financing to promote a healthy economy in your community.
