CDFA Webcast: Financing the World Trade Center.

Topic: Financing the World Trade Center

June 24, 2015
@ 11:00 am EDT

Today the World Trade Center represents a concrete example of how economic development and finance can come together to rebuild one of America's greatest landmark developments. Learn how the financing of the reconstruction of the World Trade Center through the creative use of a special category of tax-exempt bonds called Liberty Bonds were structured to meet very challenging economic conditions.

Join the CDFA New York/New Jersey Financing Roundtable, for this webcast on "Financing the World Trade Center," in which Arthur Cohen and Marvin Markus share details of the creative financing strategy.

Speakers:

Arthur Cohen
Partner
Hawkins Delafield & Wood LLP

Marvin Markus
Managing Director
Goldman, Sachs & Co.

This webcast is free and open to all interested stakeholders. Click on the Register button below to confirm your participation and receive login information.
