## NFMA Introduction to Municipal Bond Credit Analysis.

The National Federation of Municipal Analysts Introduction to Municipal Bond Credit Analysis registration is now open.

The course will be held at Le Meridien in Philadelphia on November 12 & 13, 2015.

The NFMA has offered this course annually since 1987. This year's course has been revamped, but attendees can still expect to be provided with an overview of the critical information to perform credit analysis on a variety of sectors. While traditionally an offering for those new to analysis, the course has also been used as a refresher to more seasoned analysts over the years.
