CUSIP Request Volume Shows Fourth Consecutive Monthly Decline Among Corporate and Municipal Bond Issuers.

“Everyone in the financial markets - including issuers of new debt - is focused on the prospect of the Fed raising rates in September; we’re seeing that reflected in the CUSIP data,” said Richard Peterson, Senior Director of Global Markets Intelligence, S&P Capital IQ. “The combination of increased market volatility and uncertainty around interest rates has created a perfect storm for a slowdown in new issuance. The question now is: how long will it last?”
