CDFA Webinar: State Financing Programs for Economic Development in Texas.

Topic: State Financing Programs for Economic Development in Texas

January 20, 2016

@ 2:00 pm CST

(3:00 pm EST)

While most development finance programs are available throughout the nation, there are several unique financing programs available only in Texas. During this session, officials from several state organizations will discuss the past, present, and future of economic and community development in Texas. Don't miss this opportunity to hear the latest information on new programs and financing initiatives for supporting growth in communities throughout the state.

The State of Texas has worked hard to develop and sustain a business-friendly operating environment. It has always been committed to providing and facilitating funding for companies and communities with expansion and relocation projects in mind. The Lone Star State provides tax incentives, financing assistance and an array of services to help companies establish and expand in Texas. Other financing programs include asset-based loans for companies, leveraged loans for communities and tax-exempt bond financing as ways of obtaining the capital necessary for successful projects.
