## SEC Announces MCDC Issuer Enforcement Actions.

The Securities and Exchange Commission (SEC) today announced enforcement actions against 71 issuers for violations in municipal bond offerings. The cases are the first brought against issuers under the Municipalities Continuing Disclosure Cooperation (MCDC) Initiative since the deadline for issuers to self-report on December 1, 2014.

The SEC's press release announcing the enforcement actions is available here.

The orders are available here.
