CDFA // BNY Mellon Development Finance Webcast: Opportunities and Advancements in Water Finance

Opportunities and Advancements in Water Finance

February 21, 2017
@ 1:00 pm Eastern

Financing for water infrastructure, public utilities, and drinking water has become an important area for development finance agencies as concerns about water quality and aging management systems have increased. With the U.S. EPA's recent announcement about the Water Infrastructure Financing and Innovation Act (WIFIA) making $1 billion available for credit assistance, new opportunities are emerging to address the nation's critical investment needs in water and waste water. During this installment of the CDFA // BNY Mellon Development Finance Webcast Series, learn from expert speakers as they discuss developments in the water finance space and how different financing mechanisms like bonds, RLFs, P3s, and other tools are being used to address today's water infrastructure projects.
