GASB 2017 Request for Research.

Gil Crain Memorial Research Grant

Since its formation in 1984, the Governmental Accounting Standards Board (GASB) has encouraged academics and other researchers to conduct studies that would be relevant to the GASB's standards-setting activities. For more than 30 years, such research efforts have resulted in publishing their research in peer-reviewed journal articles, GASB research briefs, and occasionally in GASB research reports.

The GASB hopes to encourage more collaborative research efforts with academics by offering one or two \$5,000 research grants, to be awarded by the end of June 2017.

Topics include:

- Related Party Transactions;
- Subsequent Events;
- Present Value;
- Public-Private Partnerships;
- Interfund Transactions;
- Chapter 9 Bankruptcies;
- Derivative Instruments; and
- Distributed Water Management Programs.
