

Bond Case Briefs

Municipal Finance Law Since 1971

A Comprehensive Look At S&P Global Ratings' U.S. Public Finance Water And Wastewater Ratings.

S&P Global Ratings maintains long-term ratings on more than 1,600 U.S. obligors issuing a combination of water, wastewater, drainage, or irrigation system revenue bonds. This is in addition to the ratings on U.S. regional wholesale water and/or wastewater systems.
