MSRB Webinar: Getting to Know the New EMMA.

Thursday, May 10, 2018

3:00 p.m. - 4:00 p.m. EDT

During this free webinar, staff of the Municipal Securities Rulemaking Board (MSRB) will demonstrate enhancements to the MSRB's Electronic Municipal Market Access (EMMA®) website. As the EMMA® website enters its 10th year of providing municipal market transparency, the MSRB is implementing a series of investor-focused improvements to the design and navigation of the website.

At the end of this webinar, participants will understand how to:

- Navigate features to access information about individual issuers and their securities;
- Search for a disclosure document by period or posting date, as well as by category; and
- Identify important details about a security and graph the trade price in the context of other trades.

EMMA® is the official source for municipal securities data and documents. The EMMA® website provides free public access to objective municipal market information and interactive tools for investors, municipal entities and others. EMMA® supports municipal market transparency but is not a platform for buying or selling bonds.
