Municipal Finance Law Since 1971

What Municipal Analysts Need to Know about Governmental Accounting.

May 23, 2018 | New York, NY

OVERVIEW

SIFMA has partnered with MAGNY and GASB's Dean Mead to provide an educational seminar on the rules that state and local governments follow when accounting for and reporting their finances.

During this in-depth discussion, participants can expect to hear:

- The basics from the perspectives of the financial statement analyst
- How the accounting standards affect the information that analysts receive
- The significant new changes to government financial reports
- Registration includes a copy of the updated "An Analyst's Guide to Government Financial Statements", 3rd Edition (published March 2018), which will serve as the text for the session.
