Task Force on Climate-Related Financial Disclosures Releases Three Key Documents that Serve as Building Blocks to Describe and Support Implementation of the Task Force's Recommendations.

On June 29, 2017 the Task Force released three key documents that serve as building blocks to describe and support implementation of the Task Force's recommendations.

[Final Report: Recommendations of the Task Force on Climate-related Financial Disclosures](#)

Provides context, background, and the general framework for climate-related financial disclosures and is intended for broad audiences.

[Annex: Implementing the Recommendations of the TCFD](#)

Provides the next level of detail to help companies implement the recommendations and is a "living" document that will likely be refined as companies gain more experience preparing climate-related financial disclosures. Includes information on applying the recommendations, guidance for all sectors, and supplemental guidance for select financial sectors and non-financial groups.

[Technical Supplement: The Use of Scenario Analysis in Disclosure of Climate-Related Risks and Opportunities](#)

Provides a further level of detail that can be helpful for companies in considering scenario analysis. It describes key publicly available scenarios and resources on scenario analysis.
