Michigan Public Finance: Election Do's and Don'ts for School Districts

The Act -

School district board members, administrators and employees are required to abide by the Michigan Campaign Finance Act. The Act prohibits the contribution of public funds or resources to a campaign for a candidate or ballot proposal while permitting the dissemination of objective factual information and permitting employees to volunteer services or express their views on their own time. Board members and policy-making administrators (at least the superintendent) may engage in advocacy at any time as long as no district resources are used to disseminate those views.
