Municipal Finance Law Since 1971

Credit Downgrades, Lawsuits, Lost Revenue Could Hinder Pritzker Pension Plan.

To improve funding levels for the state's pension systems, Pritzker is proposing to transfer state assets directly into those retirement funds. Pritzker's budget proposal said a recently-created task force will "identify what assets from among the billions of dollars in state real estate and infrastructure could be directed to enhance the value of the state's pension funds.
