Collection of Data Elements Provided in Electronic Format to the EMMA Dataport System in Connection With Primary Offerings: SIFMA Comment Letter

SUMMARY

SIFMA provides comments to the U.S. Securities and Exchange Commission (SEC) on the Municipal Securities Rulemaking Board's Notice of Filing of a Proposed Rule Change to Amend Rules G-11 and G-32 and Form G-32 Regarding a Collection of Data Elements Provided in Electronic Format to the EMMA Dataport System in Connection With Primary Offerings.

Read the letter.
