## **Fitch Webinar: ESG Relevance Scores for US Public Finance, and Infrastructure and Project Finance Now Available On-Demand**

Environmental, Social and Governance (ESG) factors are increasingly important for investment decisions, which is why Fitch has introduced ESG relevance scores to show relevance and materiality of ESG to ratings.

### **Speakers:**

- **Laura Porter** - Managing Director, US Public Finance (Moderator)
- **Andrew Steel** - Managing Director, Sustainable Finance
- **Sara Anzinger** - Director, Sustainable Finance
- **Michael Rinaldi** - Senior Director, US Public Finance
- **Scott Zuchorski** - Managing Director, US Infrastructure and Project Finance
- **Glaucia Calp** - Managing Director, LATAM Infrastructure and Project Finance
