34% Monthly Increase in Muni Requests Puts Year-to-Date Volume on Record Pace.

“The favorable interest rate environment for debt issuers has put municipal bond CUSIP request volume on pace for a record year,” said Gerard Faulkner, Director of Operations for CUSIP Global Services. “While we have seen some month-to-month volatility in the municipal bond category over the course of 2019, the general trend for the first three quarters has been toward steady growth.”
