## **16% Monthly Decline in Muni Requests Puts Crimp in Robust 2019 Issuance.**

“The low interest rate environment has spurred historically high volumes of new security issuance across several key asset classes this year,” said Gerard Faulkner, Director of Operations for CUSIP Global Services. “While the November slowdown in muni issuance will likely take us off track for a record-setting year in 2019, we’re still seeing significant volumes on the whole this year.”
