## **Bonds are a Risky Way to Deal with Pension Woes.**

By Jon Coupal, includes “Recently, this column exposed the foolishness of two proposed statewide bond measures: A \$15 billion school bond, which will be on the March 3 ballot, as well as a ‘climate resiliency’ bond. ... But at the local level, taxpayers need to be aware of a recent resurgence in the use of pension obligation bonds, a risky financing method that fell out of favor during the recession but is now making a comeback. ...”
