REFERENDA - NORTH DAKOTA

Haugen v. Jaeger

Supreme Court of North Dakota - August 25, 2020 - N.W.2d - 2020 WL 5001834 - 2020 ND 177

Petitioners filed petition seeking writ enjoining Secretary of State from placing initiated measure on ballot.

The Supreme Court held that measure violated constitution's full-text requirement.

Initiated measure amending state constitution concerning elections and legislative districting violated constitution's full-text requirement, where petition section dealing with transmission of ballots to overseas military members provided that it "shall apply for all elections covered in N.D.C.C. section 16.1-07-19," but did not include text of that statute.
