BondLink Announces Inaugural Investor Relations Award Winners.

Honorees, representing individuals and municipalities, spotlight spectrum of issuers excelling across the country

BOSTON, MA / ACCESSWIRE / April 20, 2023 / BondLink, the cloud-based investor relations and debt management platform for the municipal bond market, today announced the winners of its Investor Relations Awards. The Awards are the first of their kind, dedicated to honoring municipal bond issuers and public finance professionals who are leveraging the latest technology to modernize the U.S. muni bond market.

The 2022 program celebrates the significant growth and transformation within investor transparency, which has become increasingly important during recent periods of market volatility.

The Awards feature three categories recognizing the municipal issuers at both an organization and individual level, including awards for best investor relations website, strongest digital transformation; and the advancement of investor relations. Issuers of varying sizes within all states and sectors play a critical economic role, so the judging panel separately evaluated larger or more frequent issuers and those who issue debt less often.
