Risk Management and the Bond Credit Rating Evolution: CDFA Webcast

Tuesday, July 15, 2025 | 2:00 PM - 3:00 PM

Session Focus: The evolution of bond credit ratings is shaped by technology advancements, global economic shifts and social factors, and the need for better transparency and regulatory compliance. Panelists will share their perspectives on how these changes reflect a broader trend toward a more dynamic and complex understanding of creditworthiness, allowing markets to function more efficiently and effectively and provide more nuanced and reliable credit risk assessments.

Key Takeaways: Attendees will gain an understanding of practical adaptations to improve the accuracy, timeliness, and comprehensiveness of ratings, benefiting both investors and issuers.
