## **Muni Bonds in 2026: What City Leaders Need to Know - NLC/BAM Webinar**

**Dec 9th, 2025, 3:00 PM - 4:00 PM**

2025 will be the second year in a row with record sales of municipal bonds to finance public buildings, roads, water and sewer utilities and other essential public infrastructure. What's driving the sudden surge, and what's ahead for cities that are planning to tap the market in 2026?

Get a full update and bring your questions when NLC and BAM Mutual, which guarantees more than \$135 billion of municipal bonds for 6,000 communities nationwide, host a panel of market experts to discuss the market outlook.
