## **Trump Buys Another \$82 Million of Corporate and Municipal Bonds.**

### **Takeaways by Bloomberg AI**

- President Donald Trump has continued his purchases of municipal and corporate debt this fall, including bonds of companies affected by his administration's policies.
- The purchases include bonds from companies such as Netflix Inc., UnitedHealth Group Inc., and Intel Corp., as well as municipal bonds from US cities and local school districts.
- Trump reported no sales, and a senior White House official said that independent financial managers made the bond purchases using programs that replicate recognized indexes when making investments.
