
Boston Airport Borrows $812 Million for Revamp as Traffic Soars.

Takeaways by Bloomberg AI

- The Massachusetts Port Authority plans to borrow about $812 million to fund renovations at Boston Logan International Airport.
- The proceeds from the sale will be used to finance a new parking garage, roadway enhancements, improvements to Terminal E and upgrades to the baggage handling systems.
- Massport's renovations are part of its broader $4 billion capital plan to manage the authority's infrastructure needs across real estate, maritime and aviation.
