Baird Advisor Outlook: A Review of the Corporate, Agency and Municipal Sectors Given Tight Spreads and Record Issuance

Baird Advisors held its 26th annual Institutional Investors Conference on September 14th in Kohler, Wis. Guest speakers included Dan Clifton, Partner and Head of Washington DC Policy Team for Baird Strategas, and Brad Meltzer, Author, Historian and host of the History Channel's Decoded and Lost History. Warren Pierson, CFA, Baird Advisors' Co-CIO offered a brief investment outlook and moderated a panel discussion with senior investment team members.
