Internal Auditors Society Annual Conference 2013.

November 3-6, 2013

Delray Beach Marriott | Delray Beach , FL

Early bird rates to end on October 4, 2013.

The 2013 Internal Auditors Society (IAS) Annual Conference brings together financial services audit professionals, industry experts and regulators to share insights and experiences on:

- Enhancing the value of Internal Audit to the organization
- Partnering with the second line of defense
- Regulatory updates and their impact on Internal Audit
- Auditing emerging risks and threats
- Using data mining and analytics to discern actionable information from noise

Join us November 3-6 to network with internal audit, risk and compliance colleagues, and industry regulators, to discuss the future of Internal Audit, and to learn how a strong Internal Audit function can lead to better business results.

Conference attendees will be eligible for 15 hours of CPE credit.
