Internal Auditors Society Annual Conference.

November 3-6, 2013 - Delray Beach Marriott, FL

The 2013 Internal Auditors Society (IAS) Annual Conference brings together financial services audit professionals, industry experts and regulators to share insights and experiences on:

- Enhancing the value of Internal Audit to the organization
- Partnering with the second line of defense
- Regulatory updates and their impact on Internal Audit
- Auditing emerging risks and threats
- Using data mining and analytics to discern actionable information from noise

Join us November 3-6 to network with internal audit, risk and compliance colleagues, and industry regulators, to discuss the future of Internal Audit, and to learn how a strong Internal Audit function can lead to better business results.

Conference attendees will be eligible for 15 hours of CPE credit.
