Municipal Finance Law Since 1971

SIFMA US Municipal Issuance Survey 2014.

Respondents to the 2014 SIFMA Municipal Issuance Survey expect total municipal issuance, both short- and long-term, to reach \$349.5 billion in 2014, down from the \$366.1 billion estimated issuance in 2013. Both short-term and long-term issuance is expected to fall in 2014, with \$40.0 billion in short-term notes expected in 2014, compared to \$53.6 billion issued in 2013; and \$309.5 billion in long-term bills expected in 2014, compared with \$309.5 billion issued in 2013.
