Municipal Finance Law Since 1971

Interest Rates Remain the Same for the First Quarter of 2014.

WASHINGTON - The Internal Revenue Service today announced that interest rates will remain the same for the calendar quarter beginning Jan. 1, 2014. The rates will be:

- three (3) percent for overpayments [two (2) percent in the case of a corporation];
- three (3) percent for underpayments;
- five (5) percent for large corporate underpayments; and
- one-half (0.5) percent for the portion of a corporate overpayment exceeding \$10,000.

Under the Internal Revenue Code, the rate of interest is determined on a quarterly basis. For taxpayers other than corporations, the overpayment and underpayment rate is the federal short-term rate plus 3 percentage points.

Generally, in the case of a corporation, the underpayment rate is the federal short-term rate plus 3 percentage points and the overpayment rate is the federal short-term rate plus 2 percentage points. The rate for large corporate underpayments is the federal short-term rate plus 5 percentage points. The rate on the portion of a corporate overpayment of tax exceeding \$10,000 for a taxable period is the federal short-term rate plus one-half (0.5) of a percentage point.
