IMMUNITY - GEORGIA

City of Hapeville v. Grady Memorial Hosp. Corp.

Court of Appeals of Georgia - July 15, 2014 - S.E.2d - 2014 WL 3409110

Hospital brought action against city and police department arising from city's alleged failure to pay for medical services provided by hospital to four prisoners in city's custody. The trial court denied city's summary judgment motion. City appealed.

As a matter of apparent first impression, the Court of Appeals held that the statutory waiver of sovereign immunity as to medical providers alleging claims for reimbursement against county or state jailers for services rendered to prisoners applies to municipal jailers.
