## **PUBLIC RECORDS - MICHIGAN**

### **Amberg v. City of Dearborn**

**Supreme Court of Michigan - December 16, 2014 - N.W.2d - 2014 WL 7151746**

The Supreme Court of Michigan took on the issue of whether copies of video surveillance recordings created by third parties but received by defendants during the course of pending criminal misdemeanor proceedings constitute “public records” within the meaning of the Freedom of Information Act (FOIA), MCL 15.231 et seq., thus requiring their disclosure by defendants.

The court held that, contrary to the lower courts’ opinions, the video surveillance recordings are public records within the meaning of FOIA.
