## **LIABILITY - OKLAHOMA**

### **Perry v. City of Norman**

**Supreme Court of Oklahoma - December 16, 2014 - P.3d - 2014 OK 119**

Arrestee brought action against city to recover for excessive force by police officers. The District Court dismissed the action. Arrestee appealed, and Supreme Court retained the case.

The Supreme Court of Oklahoma held that arrestee had no claim against city since cause of action was available under Oklahoma Governmental Tort Claims Act (OGTCA).
