Last year, Orrick and the Bond Buyer presented an overview of the charter school facilities bond sector, highlighting transaction fundamentals, sector-level research data, and credit and structure trends.

This year, in Part II of the series, the webinar continues the dialogue by assembling a roster of experienced market participants and policy leaders to present current trends and analysis on the evolution of this fast-growing high yield market sector.

The featured speaker, Nina Rees, President and CEO of the National Alliance for Public Charter Schools, will provide insights regarding the national charter school facilities policy agenda and look ahead to trends affecting the growth of the sector in general. In addition, panelists will review legal and credit issues and trends.

Who Should Attend?

- State and Local Education Finance Officers
- Charter School Leaders, CFOs and Finance Directors
- Institutional Investors seeking High-Yield Opportunities
- Investment Analysts
- Education-Focused Investment Bankers
