David A. Noyes & Company Hires Industry Veteran and Municipal Bond Underwriting Specialist.

David A. Noyes & Company [Noyes], a 105-year old wealth management and investment banking firm, announced today the hiring of Thomas L. Enright, as Senior Vice President of its Capital Market Division.

Enright, 55, will be responsible for growing Noyes' municipal bond underwriting business of its Capital Markets Division's Public Finance Group and fixed income platform. He will report directly to Robert Welch, Jr., Senior Managing Director of Noyes' Capital Markets Division.

Welch explained that Enright's hire is perfectly aligned with Noyes' plan to expand its fixed income platform and grow its municipal underwriting business with the intent to achieve three strategic goals: expand the firm's revenue sources, add municipal bond capabilities to its platform to anticipate and meet advisors' demand, and provide small municipalities with the level of service and attention they cannot obtain from larger Wall Street firms.

"Tom is a high-caliber professional with an impressive experience in municipal bonds," stated Welch. "His hire is a strategic addition to our team that further underscores the depth and breadth of skills Noyes consistently continues to attract. Tom's knowledge, expertise and energy lift our municipal efforts to another level."

Enright joins Noyes with more than three decades of experience in the municipal bonds industry. Throughout his career, he has underwritten in excess of \$30 billion of municipal bond issues—including the \$400 million Indianapolis Airport Authority bond—and priced on a yearly basis over \$2 billion of bond issues. Most recently, he was Manager of Municipal Bond Trading and Manager of Capital Markets at City Securities Corporation. Prior to that, he served as Manager of Indiana Municipal Bond Operation at Raymond James and Manager of the Municipal Bond Department of Raffenberger Hughes and Company, Inc. He began his career at Indiana National Bank as Municipal Bond Trader.

"I'm excited and honored to join an organization with such a solid industry reputation and be part of a dynamic, successful and talented team," declared Enright. "In accepting this position, I was particularly impressed, among other things, with Noyes' investment in human capital and systems, the firm's enduring stability, pristine record and unwavering 'clients first' philosophy. I look forward to playing an instrumental role in helping Noyes grow a profitable and successful municipal bond underwriting business and empower them to deliver even more exceptional service and value to both their advisors and clients."

Enright obtained a B.S. degree in Finance from Indiana University.
