CDFA Webcast: Creative Economic Development Financing.

Topic: Creative Economic Development Financing

June 3, 2015

@ 1:00 pm PDT

Development finance is the heart of economic, energy, infrastructure, technology, and environmental development. In addition to core financing tools, there are many alternative financing tools available such as PACE, EB-5, and innovation finance.

Join the CDFA California Financing Roundtable in partnership with CALED, for this webcast on “Creative Economic Development Financing,” in which experts will present creative economic development financing tools, programs and projects.

Speakers:

Cisco DeVries

CEO

Renewable Funding

Ginny Fang

CEO

Golden Gate Global

Samuel Wu

Partner

Innovation Capital Law Group, LLP
