

Bond Case Briefs

Municipal Finance Law Since 1971

Moody's Introduction to Public Finance Seminar.

This seminar provides delegates with an understanding of the contextual framework of the U.S. public finance market, as well as the tools to begin analyzing key public finance credits. Using case studies, spreadsheets and group discussions, the course covers municipalities, state government, special authorities, essential purpose revenue bonds, and higher education, and also introduces the sectors of health care and housing.
