CDFA Fundamentals of Economic Development Finance Course.

St. Louis, MO - August 10, 2015

The Fundamentals of Economic Development Finance Course is the foundation for all of CDFA's educational offerings. This course will help you understand the variety of development finance tools available, from bonds, tax credits and TIF, to federal financing programs, RLFs, and access to capital lending resources.

The Fundamentals Course is based on CDFA's *Practitioner's Guide to Economic Development Finance*, the only comprehensive reference guide dedicated to building and utilizing the development finance toolbox. The Practitioner's Guide provides the insight and practical information needed to critically understand how economic development is financed and the tools, strategies and techniques used to build strong communities.

This course qualifies for the CDFA Training Institute's Development Finance Certified Professional (DFCP) Program. Start down the road to personal and professional advancement today.

The Fundamentals of Economic Development Finance Course is offered during CDFA Summer School, a week long series of courses presented by the CDFA Training Institute. The schedule for CDFA Summer School is outlined below.
