## **Strength in Numbers: Public-Private Partnerships.**

Partner Steven Hilfinger contributed an article to the August 2015 issue of the Manufacturing Leadership Journal. ["Strength in Numbers: Public-Private Partnerships,"](#) discusses how Public-Private Partnerships (P3s) can help manufacturers tackle projects that are too complex or expensive for a single company to handle. Hilfinger, formerly a senior advisor to Michigan Governor Rick Snyder, outlines the key strategies in establishing successful P3s.
