Exploring the Newark Development Renaissance

November 17, 2015

@ 1:00 pm Eastern

In the past few years, Newark, New Jersey has become a showcase for urban revitalization demonstrating how public and private financing can help build thriving communities. Hundreds of properties have been recreated through multi-million dollar capital projects financed through successful partnerships, tax credits, and tax-exempt bonds. During this installment of the CDFA/BNY Mellon Development Finance Webcast, hear from the public sector officials and financiers behind Newark's downtown renaissance and learn how building strong partnerships has created a competitive and dynamic atmosphere that has attracted investment and spurred economic development.
