## **MUNICIPAL ORDINANCE - NORTH DAKOTA**

### **State v. Putney**

**Supreme Court of North Dakota - March 15, 2016 - N.W.2d - 2016 WL 1030024 - 2016 ND 59**

Defendant was convicted in the District Court of aggravated assault. Defendant appealed.

The Supreme Court of North Dakota held that:

- Evidence supported finding that defendant acted knowingly;
- Evidence supported finding that shooting victim suffered a permanent impairment of a bodily function; and
- Courts are free to judicially notice municipal ordinances, abrogating *Keyes v. Amundson*, 391 N.W.2d 602, and *State v. Stensaker*, 2007 ND 6, 725 N.W.2d 883.
