CDFA Webcast: Development Finance Solutions for Disaster Resiliency.

Development Finance Solutions for Disaster Resiliency

April 19, 2016

@ 1:00 pm Eastern

Over the past decade, extreme weather events have caused major catastrophes to cities large and small. From vulnerable energy grids to aging infrastructure, communities are susceptible to disasters in multiple ways, and the aftermath of the clean-up and redevelopment can affect a region for years. What are some of the financing strategies for communities to invest in resiliency and mitigate the costs of potential natural disasters? During this installment of the CDFA // BNY Mellon Development Finance Webcast Series, explore financing programs and structures for disaster resiliency, partnerships and collaborative efforts to identify financing solutions, including community investments, bond issuance and other development finance tools.
