Investing locally has become one of the most trending development finance approaches in decades. This trend, called “locavesting”, which supports both economic and social advancement in local communities, has spurred creativity and significant capital for supporting infrastructure, entrepreneurs and hyperlocal economic development. While still early in its development, locavesting is producing surprising results and showing significant potential.

This month CDFA // BNY Mellon Development Finance Webcast Series, our expert speakers will explore locavesting to demonstrate how to unlock this new and innovative development finance resource in your community.
