- And finally, please bow your heads for a moment of silence to commemorate the demise of “adult-content” conventions in Dallas, Texas. While [Three Expo Events, L.L.C.](#) claimed that participants in its three-day adult entertainment expo called “Exxxotica” (inclusion of an additional x or two, clearly an oversight) complied with all applicable City regulations, the City begged to differ. As the court’s opinion drily notes, “The City offers a different view of what occurred at the 2015 Exxxotica expo.” The ensuing litany of offenses are, sadly, unfit for enumeration in a fine, upstanding publication such as this, but please feel free to visit the opinion.
