With the improving economy, many state and local development finance agencies are reporting a resurgence in manufacturing. However, manufacturing has changed in the past decade and new financing tools are needed to support this opportunity for job growth and investment. This month's CDFA // BNY Mellon Development Finance Webcast Series will unlock the financing tools that support new, expanding and relocating manufacturers. From financing growth opportunities and emerging industries to developing industrial parks and robust infrastructure, this webcast will give you the resources you need to drive manufacturing in your community.
