MSRB to Launch E-Learning Courses.

To address a need for high-quality educational content about the municipal market, the MSRB plans to launch a suite of interactive, online courses designed specifically for market participants this fall. The MSRB's MuniEdPro[®] courses will provide up-to-date content relevant to municipal market activities and MSRB regulations. Each MuniEdPro[®] course will allow the learner to apply MSRB rules to real-world scenarios.

Continuing education credit will be available through MuniEdPro[®], and the courses supplement the MSRB's existing [library of free regulatory webinars](#).
