The SEC's Municipal Advisor Rule: Webinar.

Come join the next State Debt Management Network webinar that will focus on the SEC's Municipal Advisor (MA) Rule. The framework for the MA Rule, established by Section 975 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act"), which amended Section 15B of the Securities Exchange Act of 1934, established a fiduciary duty between municipal advisors and their municipal entity clients. Since Dodd-Frank's effective date, the SEC and MSRB have promulgated a series of rules that are multi-faceted with numerous provisions that every issuer should understand. The speakers for this webinar session will delve into the details of this municipal advisory regulatory regime which is intended to give state issuers an effective framework in understanding this complex topic.
